TPR is pursuing a mythic dream: the support and cultivation of bygone standards in art and literature. Be a part of this journey.

This new online literary magazine seeks your support in reaching potential readers and contributors. Please take a moment to post this flyer in a conspicuous place; I feel certain your students and faculty will enjoy the quality fiction, poetry, art, and essays in the Spring, 2000 issue.

Thank you for your time and attention.

Best Wishes,
