THE PANAMA DECEPTION

A real look at Amerika's 1989 invasion of Panama. Winner of the 1993 academy award for best documentary. Banned by the Panamanian government and denied an airing on PBS.

This documentary explores the untold story of the 1989 Amerikan invasion of Panama; revealing General Manuel Noriega's long-standing relationship with the C.I.A., the D.E.A. and George Bush; documenting the shocking events of the assault and its aftermath; uncovering the true motivation for the imperialist invasion; and explaining how and why the mainstream bourgeois media collaborated with the Amerikan government to censor information and deceive the general public. A discussion will follow.
