GUST Annual Meeting in Bachotek May 1–3, 1997, Bachotek (Brodnica Lake District, Poland)

The 5th annual meeting of the Polish TEX Users Group (GUST) will be held in Bachotek, Brodnica Lake District, May 1–3, 1997. We invite TEX users from everywhere to join us. The theme of the meeting is

TEX FROM INSIDE

As the theme suggests, this time we would like to concentrate on TEX's interior, i.e., on rarely used or even totally unknown aspects of TEX. Submissions on other subjects, such as electronic publishing (PDF, HTML, SGML), typography issues, multilingual issues, graphics, PostScript, etc., are also welcomed. As always, the conference programme will be completed with tutorials covering issues concerning TEX, METAFONT, PostScript etc.

Paper submissions, proposals for tutorials and remarks related to the programme of the meeting should be sent to the Programme Committee. Lectures in English are acceptable. The deadline for submissions is 31 March 1997.

The conference fee (which includes accommodation and catering) is 290 zł for LUG members and 340 zł for others (3 zł is 1 US dollar). Students pay 240 zł and 290 zł, respectively.
