3 Legacy of Rothschild Banking - John Torrio and Bronfman Gangsters

The beginning of this era starts with the efforts of the Rothschild Bankers of Europe. During the Napoleonic Wars, they became very wealthy over the news of the Waterloo Battle. With this wealth they became powerful enough to control the British Empire. Their legacy lies within the China Opium War identified with the reports of Dope Inc showing the links to the Bronfman Dynasty that now controls Canada. The Rothschild's back in the 1880's financed the Bronfman in Canada. They rose to power to become Capone's bootleggers and much further in time.

In addition, the Rothschild Bankers also supported John Torrio. Torrio is known as the organizer of the National Crime Syndicate. His understudies were Al Capone, Lucky Luciano and Meyer Lansky. Under the wing of Capone was a Moses Annenberg whose son Walter Annenberg became one of the most powerful political bosses in America. The Bronfman Crime Family has also become very powerful here. This document examines the history of these events which up to today impact the economic and political climate of the United States of America and global events.

Running West Coast and Caribbean gambling operations for Lansky during the 1930s, as well as becoming a silent partner of movie studio Columbia Pictures in the late 1930s, Stacher would later supervise gambling in Las Vegas, Nevada, particularly the Sands and Fremont Casinos.

...In the first three months after the Attack on Pearl Harbor on December 7, 1941, the U.S. lost 120 merchant ships to German U-boats and surface raiders in the Battle of the North Atlantic and in February 1942 the cruise ship SS Normandie – a captured French ship that was being refitted as a troop ship in New York harbor – was allegedly sabotaged and sunk by arson in the Port of New York. The Mafia boss Albert Anastasia claimed responsibility for the sabotage.[1] After the war, Axis records showed no sabotage operation had existed and no evidence has ever been produced on the Allied side to indicate there had been underworld sabotage. The loss of the Normandie was almost certainly an accident.[2]

Nevertheless, fears about possible sabotage or disruption of the waterfront led Commander Charles R. Haffenden of the U.S. Navy Office of Naval Intelligence (ONI) Third Naval District in New York set up a special security unit and sought the help of Joseph Lanza, who ran the Fulton Fish Market, to get intelligence about the New York waterfront, control the labor unions and identify possible refuelling and resupply operations for German submarines with the help fishing industry along the Atlantic Coast. To cover Lanza's activities, he suggested to approach Charles Luciano who was an important boss of the five New York Mafia crime families.

Luciano agreed to cooperate with authorities in hopes of consideration for early release from prison.[3] Murder Inc was involved with Sinking Normandy in WWII in NYC via Albert Anastasia see

8 Battle of Sicily Restoration of the Mafia in WWII – Operation Underworld

... Luciano received a 30- to 50-year sentence. During World War II, Anastasia reportedly originated the plan to win a pardon for Luciano by helping the war effort. With America needing allies in Sicily to advance the invasion of Italy, and the desire of the Navy to dedicate its resources to the war, Anastasia orchestrated a deal to obtain lighter treatment for Luciano while he was in prison, and after the war, a parole in exchange for the Mafia protecting the waterfront and Luciano's assistance with his associates in Sicily.

<http://www.drugtext.org/library/books/McCoy/book/08.htm>

The Mafia Restored: Fighters for Democracy in World War II World War II gave the Mafia a new lease on life. In the United States, the Office of Naval Intelligence (ONI) became increasingly concerned over a series of sabotage incidents on the New York waterfront, which culminated with the burning of the French liner Normandie on the eve of its christening as an Allied troop ship.

Powerless to infiltrate the waterfront itself, the ONI very practically decided to fight fire with fire, and contacted Joseph Lanza, Mafia boss of the East Side docks, who agreed to organize effective antisabotage surveillance throughout his waterfront territory. When ONI decided to expand "Operation Underworld" to the West Side docks in 1943 they discovered they would have to deal with the man who controlled them: Lucky Luciano, unhappily languishing in the harsh Dannemora prison. After he promised full cooperation to naval intelligence officers, Luciano was rewarded by being transferred to a less austere state penitentiary near Albany, where he was regularly visited by military officers and underworld leaders such as Meyer Lansky (who had emerged as Luciano's chief assistant). (14)

While ONI enabled Luciano to resume active leadership of American organized crime, the Allied invasion of Italy returned the Sicilian Mafia to power. On the night of July 9, 1943, 160,000 Allied troops landed on the extreme southwestern shore of Sicily.(15) After securing a beachhead, Gen. George Patton's U.S. Seventh Army launched an offensive into the island's western hills, Italy's Mafialand, and headed for the city of Palermo. (16) Although there were over sixty thousand Italian troops and a hundred miles of boobytrapped roads between Patton and Palermo, his troops covered the distance in a remarkable four days.(17)

The Defense Department has never offered any explanation for the remarkable lack of resistance in Patton's race through western Sicily and pointedly refused to provide any information to Sen. Estes Kefauver's Organized Crime Subcommittee in 1951.

9 President Truman Legacy

Truman's Power Brokers were tied into the corruption of the Saint Louis Mafia. In this period, this influence resulted in the US Support of the State of Israel. It is noted that Meyer Lansky stated he financed the state of Israel. General Patton worked closely with the Mafia during the World War II efforts for the battle of Sicily. The legacy led into the drug smuggling that was discovered in the Pizza Connection Investigation. The leadership of the Office of Strategic Services (OSS) was involved with Patton's assassination. The OSS and the Office of Naval Intelligence (ONI) established ties to the mafia via Operation Underworld.

10 President Eisenhower Legacy

In the Eisenhower administration one of his notable power brokers was the Purple Gangster Max Fisher. Fisher was powerful enough during this administration to get the US into the war in Central American in Guatemala about 1954. This was to protect the interests of United Fruit a firm controlled by Max Fisher. A consequence of this was the formation of the gangs that have migrated to the US known as MS-13.

Max Fisher was also able to influence the Eisenhower administration to start the plans to invade Cuba known as Operation Zapata under George Bush between 1958 to 1961. The reason was to protect the Mafia casino interests in Havana in particular on behalf of Meyer Lansky.

In this period Defense Secretary opposed these activities and support of the state of Israel. The circumstances of his death parallel that of Murder Incorporated Abe Relles (The Canary that could not fly). Afterwards, the US promised support for the state of Israel.

...In 1975, Lindner's AFC allied with Detroit financier Max Fisher, formerly of the murderous Purple Gang; Detroit real estate developer Alfred Taubman (a Fisher associate); and Paul and Seymour Milstein, to grab a 50% controlling interest in the United Fruit Company. Drug Enforcement Administration officials had confirmed to the authors of *EIR's* bestselling book *Dope, Inc.: Britain's Opium War Against America*, that United Fruit was a major force in the Latin American cocaine trade—a business that skyrocketed following the Lindner-Fisher, et al. takeover.

The Lindner group's takeover of United Fruit was only made possible by the mysterious death of the company's chairman and largest stockholder, Eli Black, on Feb. 3, 1975. Black fell to his death from the 44th floor of the Pan Am Building in New York City, in what was officially declared a suicide.

At the same time that Lindner, Fisher et. al. were grabbing United Fruit, Lindner's AFC simultaneously allied with a group of other Lansky-linked entities to establish a formidable pool of interlocking companies that would collectively form the core of the junk-bond raiders.

Seven weeks after being committed for "treatment", apparently against his will, his body was found on a ledge beneath a window of his 16th-floor room. 11 Operation Mockingbird Control of the US Media

The CIA established the program Operation Mockingbird in the 50's to promote the views of the CIA in the national Media in the United States. The CIA owned respected members of the media (New York Times, NewsWeek, CBS, Time and Life Magazines, Washington Post, Miami Times, Christian Science Monitor, TV Guide etc.). CIA Director Allen Dulles hired Cord Meyer to join the CIA. Meyer efforts involved work on Operation Mockingbird. Joseph McCarthy accused senior CIA members as national security risks. McCarthy claimed the CIA was a "sinkhole of communists". One of McCarthy's first targets in the CIA was Cord Meyer who was working on Operation Mockingbird. The CIA unleashed the Mockingbird against McCarthy. CIA Program Operation Mockingbird was active during the overthrow of the Guatemala leader in 1954 on behalf of Purple Gangster Max Fisher who was controlling United Fruit

- <http://www.spartacus.schoolnet.co.uk/JFKmockingbird.htm>

Operation Mockingbird was exposed in 1975 during the Church Committee investigation.

- <http://www.truthistreason.net/operation-mockingbird-government-control-of-mainstream-media>

The two biggest financiers to work with the CIA program were Gangsters Moses and his son Walter Annenberg. They owned the media Philadelphia Inquirer and TV Guide. The Annenbergs led a double life, Moses was directly link to the Chicago Syndicate. Both Annenbergs were indicted in 1939 for tax evasion. Moses pled guilty and was sentenced. Moses died in Lewisburg Penitentiary.

Walter Annenberg's influence increased to the point he selected the President Nixon entire Cabinet as his Rancho Mirage Estate in Sunnylands California. (Note at the Nixon Library in Yorbra Linda CA, the top benefactor is shown as Walter Annenberg)

President Reagan's career was launched via CIA Operation Mockingbird. Reagan career began with commercialization of television for the "Crusade for Freedom" program,

11.1 Mob Involvement with Control of Media

In parallel to the CIA's Operation Mockingbird , the Chicago Syndicate was extended influence with control of the Hollywood media. This again shows the CIA and the Mafia working together over the control of the media. A major Hollywood Media Player is the Bronfman Crime family.

11.1.1 Legacy of Crime Boss Walter Annenberg - Clear Channel and Fox Media

The Wikipedia article shows some details of Capone Mafia Gangster Walter Annenberg. One point is inaccurate however. The fact that Walter Annenberg controlled the Philadelphia Inquirer and the rampant political corruption in Philadelphia is true. Walter Annenberg did not clean up the corruption he was part of it. He controlled the Politics of the entire state of Pennsylvania Republican Party that exists up to the present time via the Bucks County Republican Party (www.bucksgrop.org) . He was

directly involved with the cover up of the JFK Assassination via the Warren Commission single bullet theory. The authors of the JFK single bullet theory were from the Philadelphia District Attorney office. This is a place that has been overrun by Jewish Organized Crime up to recently with the former DA Lynn Abraham an executive director of the Anti-Defamation League.

Walter Anneberg's father Moses Annenberg setup the race wire for the Capone syndicate. This allowed the mob to gain an advantage on the horse track betting activities. Moses attended the meeting to setup the national crime syndicate in Atlantic City New Jersey with Capone. Moses influence in Pennsylvania politics enabled him to protect Capone during his time at Eastern State Penitentiary in plush circumstances.

- http://en.wikipedia.org/wiki/Walter_Annenberg

Walter Annenberg worked with the CIA's Operation Mockingbird program using his media for their purposes. One of his media outlets is Clear Channel. This was subsequently bought out by Bain Capital which is controlled by Mitt Romney. Walter Annenberg setup the Annenberg Foundation which is responsible for the "No Child Left Behind" program located at Brown University in Providence Rhode Islands. This program is the legacy of President Obama rise to national politics. In the 70's Walter Anneberg setup the Corporation for Public Broadcasting (CPB). This is a taxpayer funding television under the influence of Jewish Mafia. Walter Annenberg also established within major colleges and universities schools for the study of media communications eg USC – Annenberg School of Communications and at the University of Pennsylvania. After his death part of his media was sold off to Rupert Murdoch's Fox Media.

On the evening of October 20, 1964, Joseph Bonanno, the boss of the New York crime family that bore his name, sat down to dinner at an uptown restaurant with three of his attorneys: William Maloney, his partner Joe Allen, and Bonanno's Arizona attorney Lawrence D'Antonio. The sixty-year-old Bonanno was scheduled to appear before a grand jury the next day, and the lawyers had assembled to counsel him. Bonanno would later refer to this time of his life as being between a "hammer and anvil." The federal government was actively pursuing him for his organized-crime activities while at the same time the Mafia Commission, the mob's ruling body in America, had gotten wind of his plans to revamp their ranks through a series of planned assassinations in order to make himself boss of all bosses. As written in the Book Hoffa Wars.

The Southern Mafia was formed in the early 60's with Bonanno and Bronfman as the Italian-Jewish Leaders located in Phoenix. Under the crime boss Bonanno was Sam Guicana, Santos Trafficante and Carlos Marcello.

The authors of the single bullet theory Arlene Specter and Richard Sprague were working in the Philadelphia District Attorney office under the Mayor Dilworth Administration. The Dilworth administration was known as being as corrupt as Chicago was during the Capone Era. US Sen Schweiker picked them for the Warren Commission. US Senator Richard Schweiker's power broker was Walter Annenberg.

Here Sprague using his front company R/S Financial tried to get Anthony Koval to sell him industrial machinery on a no money down deal. Koval refused. Sprague invited Koval to his office. He turned the deal down. Sprague walked out of the office and his goon of R/S Financial put a gun to the head of his wife stating "You will not leave here alive unless you sign over the machinery". She refused and the wife walked out to the elevator had a stroke...ended up in a wheel chair the rest of her life.

13.1.7.1 Assassination of RFK

In Los Angeles at the Ambassador Hotel owned by LA Crime Boss Jack Dragna, Robert Kennedy was killed. The reports was a lone gunman like in the JFK story. More recent investigation are proving these facts to be incorrect and point to involvement of the CIA. Dragna has long standing ties to the National Crime Syndicate via Bugsy Segal one of the members of Murder Inc who reported to Meyer Lansky

- <http://www.youtube.com/watch?v=dSziV-ajYz4>

The lone gunman theory on RFK was done for a Jordanian Citizen upset with US policies in Palestine. The end result of the official version of the story was to get the United States to come in on the side of Israel during the Era of the 1967 Middle East War against Egypt, Syria, Jordan and Lebanon. This was also the time of the sinking of the USS Liberty which was an attempt result in using Nuclear Weapons against Cairo Egypt under the LBJ. The ship did not sink and Israel did not lose the war. These efforts indicate the CIA and the Mossad worked together to attempt to achieve these objectives. Israel requested that if they lost the 1967 war that they be given the state of Arizona to become the new Israel. President Johnson declined the request.

Twenty years later, he tracked this person down and found to be working for the CIA since the time prior the MLK Assassination. MLK became a liability to LBJ after his opposition to the Vietnam War effort. The most likely scenario is LBJ used CIA Assassination squads.

13.2 USS Liberty Attack by Israel – LBJ States “I Want That Ship to the Bottom”

Meyer Lansky stated he financed the State of Israel. In review of the JFK Assassination, the nexus of LBJ has been described. The 1967 Middle East War between Israel and the Arabs neighbors was being monitored by the USS Liberty. The ship was attacked by Israel. The Navy commander called for air support to defend the ship. The Navy commander called Defense Secretary Robert McNamara directly to defend the ship, LBJ got onto the line and stated “*I want that ship to the bottom!*” (*recall the air support*). If the USS Liberty was sunk this would become the justification for LBJ to come in on the side of Israel in the Middle East to send planes to Nuke Cairo and take over the Middle East.

De-classified Vietnam-era Transcripts Show Senators Knew Gulf Of Tonkin Was A Staged False Flag Event (Trigger for Vietnam War).In a March 1968 closed session of the Foreign Relations Committee, Senator Albert Gore Sr. of Tennessee, the father of former vice president Al Gore, noted:

“If this country has been misled, if this committee, this Congress, has been misled by pretext into a war in which thousands of young men have died, and many more thousands have been crippled for life, and out of which their country has lost prestige, moral position in the world, the consequences are very great,”

Senator Frank Church, Democrat of Idaho, said in an executive session in February 1968: “In a democracy you cannot expect the people, whose sons are being killed and who will be killed, to exercise their judgment if the truth is concealed from them,” Other senators were keen to withhold the truth about Tonkin in order not to inflame public opinion on the war:

13.5.2 The Murder of Hoffa

Several stories claim to identify the details of the murder of James Hoffa. Hoffa was given a pardon by Richard Nixon. Part of the agreement was the Frank Fitzsimmons would remain the head of the teamsters. The teamsters pension funds were used to finance Vegas. Hence the real power broker of the Teamster and Hoffa of Detroit was none other then Moe Dalitz. When Hoffa attempted to regain control his demise was forthcoming. The real story is Tony Provenzano of the Genovese family along with the Ice Man Ted Kluklinski met with Hoffa at the Detroit restaurant.

In April 2006, it was reported that Kuklinski had confessed to author Philip Carlo that he and four men had kidnapped and murdered union boss Jimmy Hoffa. In an interview aired on CNN's "Larry King Live," Carlo discussed the confession in detail, explaining the Kuklinski was part of a five-member team, who under the direction of Tony Provenzano, a captain in the Genovese crime family, kidnapped and murdered Hoffa in a restaurant parking lot in Detroit.

In the confession of the Ice Man he said he place the remains of Hoffa in the auto Junk Yard in Kearney New Jersey. This part of his confession is not accurate with the actual facts. A witness has stated he saw the actual Hoffa Limo at the Fountain Auto Mall in Brooklyn New York. An examination of prior activities of the Ice Man supports this part of the story. A review of how the Ice Man managed the murder of John Gotti's Neighbor (Mr. Favara) who killed his son indicates the Ice Man has used the Fountain Auto Mall to dispose of the remains of other victims. Hence this part of the Hoffa Murder correlates with the details provided by the witness to the Hoffa Limo.

New York Times Jan 20, 1994 – Top Nixon Library Benefactor Walter Annenberg

The Annenberg Foundation is giving \$5 million to the Richard Nixon Library and Birthplace and a new center the library is creating on foreign and domestic policy issues, library officials said.

The gift is scheduled to be formally announced today in a ceremony at the library in Yorba Linda, Calif., where plans for the new institution, the Center for Peace and Freedom, will also be unveiled.

The Nixon library, which opened in 1990, operates a museum and an archives. The Center for Peace and Freedom will also be based in Yorba Linda, according to a statement released yesterday by the library.

The gift to the library is the second, recent large Annenberg grant. Last month, Walter H. Annenberg announced that he would award grants totaling \$500 million to several education groups involved in improving education. He said he was donating the money because of the growing violence in schools.

Nixon F252 Cabinet ...

The Cabinet Committee on Voluntary Action was formed by President Richard M. Nixon's 1969 Executive Order 11470, to foster cooperation among Government departments and agencies on programs related to voluntary action, and to promote reliance on and recognition of volunteer activities. Additionally, the Committee was charged with being responsible for developing new Federal initiatives in the voluntary action area. The work of the Committee led to the creation of the National Center for Voluntary Action in 1969, and to the establishment of an Office of Voluntary Action within the new ACTION agency in 1971.

The Secretary of Housing and Urban Development, George W. Romney, served as Chairman of the Cabinet Committee. In naming him Chairman, President Nixon cited his "impressive successes in stimulating voluntary action during his terms as Governor of Michigan." The other members of the Committee were the Secretaries of Commerce; Labor; Agriculture; Health, Education, and Welfare; the Attorney General; and the Director of the Office of Economic Opportunity. At the same time that the Cabinet Committee was formed, the President named Max M. Fisher to serve as his Special Consultant on Voluntary Action, and asked him to work with Secretary Romney's Committee in helping to foster voluntary action.

*Principal correspondents in FG 252 include the **President, Secretary Romney, Max Fisher, Donald Kendall, Nils Boe, and Charles B. "Bud" Wilkinson.** The letters, memoranda, and statements which make up the files are primarily administrative, dealing with scheduling, press release issuance, and personnel issues. 14.6.3 Israel the Enemy within as Quoted by Cicero

A nation can survive its fools, and even the ambitious. But it cannot survive treason from within. An enemy at the gates is less formidable, for he is known and carries his banner openly. But the traitor moves amongst those within the gate freely, his sly whispers rustling through all the alleys, heard in the very halls of government itself. For the traitor appears not a traitor; he speaks in accents familiar to his victims, and he wears their face and their arguments, he appeals to the baseness that lies deep in the hearts of all men. He rots the soul of a nation, he works secretly and unknown in the night to undermine the pillars of the city, he infects the body politic so that it can no longer resist. A murderer is less to fear. The traitor is the plague.” - Cicero

16.2.1 Drexel Burnham Scandal via Michael Milken Junk Bond Financing for Casinos

A consequence of Junk Bond Financing was the activities of Mike Milken efforts at Drexel Burnham. In more recent times. This approach seems to be the same as Mitt Romney's Bain Capital has used.

...Steven Wynn: tough-guy casino owner and Likud backer. Steve Wynn started in Las Vegas in 1967, with a small interest in the Frontier Hotel casino, then controlled by the Detroit mob. He later took control of the Golden Nugget. In 1980, with financial backing from Drexel Burnham Lambert, Wynn built the Golden Nugget casino in Atlantic City, where Meyer Lansky's Resorts International had opened the first casino in 1978. Wynn sold the Atlantic City casino and took more from Milken's Drexel to build the massive Mirage in Las Vegas, which opened in 1989. Drexel also funded other casinos, pumping billions of hot dollars into Vegas as part of Dope, Inc.'s transformation of its money laundering center from a city run by the old-style Mob, into a resort center with the organized crime activities hidden behind slick corporate fronts. Wynn is a personal friend of Milken, his neighbor in Lake Tahoe.

The mid-1990s book, Running Scared: The Life and Treacherous Times of Las Vegas Casino King Steve Wynn, by the famous Las Vegas Review-Journal reporter John L. Smith, alleged that Wynn was a front for the New York Genovese organized crime family. Wynn sued the publisher for libel and won. Wynn is deeply feared in Las Vegas.

A biography of Steve Wynn on the Milken Institute website says "Wynn is widely credited with transforming Las Vegas into a world-renowned resort destination"; and he is on the Advisory Board (chaired by Paul Volcker) at the Center for Strategic and International Studies in Washington, a trustee of the University of Pennsylvania, and a member of the board of the George Bush Presidential Library

16.3 Regan's Outsourcing of US Jobs via 1986 Tax Reform Act Section 1706

The 1986 Tax Reform act section 1706 destroyed millions of US High Professionals business and careers. The setup blank purchase order agreements for government contracts and forcing technology professionals to become W2 employees. The law was sponsored by US Senators Arlene Specter and Daniel Patrick Moynihan.

18 President Clinton's Legacy (1992-2000)

18.1 Best Friends of Edgar Bronfman

The Best Friends of the Clintons was the Edgar Bronfman Senior Son of Samuel Bronfman of the Bronfman Crime Family. In the video Hillary states Edgar Bronfman is her best friend and a model citizen.

- <http://www.youtube.com/watch?v=6zUgDHTJZkU>

A picture tells a thousand words. Bronfman's Gangster Lieutenant Jack Rubenstein (Ruby) Killed Lee Harvey Oswald, Warren Commission Member President Ford with help of his power broker Purple Gangster Max Fisher and the Mena Arkansas CIA drug smuggling Barry Seal legacy all stand behind this event. Here we see Clinton give Gangster Edgar Bronfman the Medal of Honor Award. Edgar Bronfman was the best friends of the Clintons during the entire time they were in office.

18.2 President Clinton Outsourcing US Jobs via H1B Visa

See the article on President Clinton's junkets to India to outsource US High Technology Jobs along the support of McKinsey's Rajat Gupta. This is the same Gupta involved with the Mortgage backed securities fraud and board member of Goldman Sachs.

- http://www.h1bvisasucks.com/H1BDiscussions_issue_clinton.htm

The last tripwire in Congress to prevent the H1B Visa and Lax Immigration policies was Newt Gingrich. Newt was going after President Clinton over the Monica Lewinsky issue. All the while he has a mistress on the side. In the 1998 GOP Fund raiser in Silicon Valley. Newt meet the leaders of Microsoft, Oracle, Sun Micro Systems, Cisco and others. The CEO of Oracle Larry Ellison said to him Newt we know you have a lady on the side, give us the H1B Visa program or we will expose your affair. Hence he was compromised resulting the massive immigration issues of today.

- http://www.h1bvisasucks.com/H1BDiscussions_issue_jordon.htm

The Clinton's along with Newt Gingrich were also responsible for the free trade agreements that are wrecking the US Economy.

18.3 Clinton's Repeal of Glass Steagall Act

In the Clinton era, the Gramm-Leach-Bliley Act of 1999 repealed the Glass Steagall Act of 1933. This opened the door for firms like Goldman Sachs to cause massive debts during the current Mortgage Financing Crises.

- http://en.wikipedia.org/wiki/Glass%E2%80%93Steagall_Act
- <http://www.pbs.org/wgbh/pages/frontline/shows/wallstreet/weill/demise.html>

Note: In the last link the details show the same parties involved with the bailouts are the same ones who claimed they are too big to fail resulting in Trillions for the bailouts.

18.4 Clinton NAFTA Free Trade Agreement

Under President Clinton, the North American Free Trade Agreement (NAFTA) was put into law. This created the free trade zone between the US and Mexico. The US has seen the impact with out of control Mexican immigration, Loss of US Trucking Jobs etc. A Benefit was WalMart expansion of operations in Mexico.

- http://en.wikipedia.org/wiki/North_American_Free_Trade_Agreement

18.5 Clinton Signs the China Trade Bill

Like the economic disasters of H1b Visa, Lax Immigration, Repeal of Glass Steagall, NAFTA, the China Trade deal an economic trade program of the Clinton era. The results of these economic agendas of the Clinton era have resulted in depressed economic conditions the United States at the end of the Bush and Obama years. We now see undesired consequence such as government infrastructure contracts for building bridges in the state of California being awarded to Chinese businesses and paid for by US Taxpayers.

During the Civil War Lincoln was asked why he did not buy cheap British Steel. Lincoln said if we buy their steel we get the product and they get the infrastructure. If we buy here we get both.

18.6 Clinton's Nexus to Bay of Pigs Barry Seal Mena Arkansas

The Mena Arkansas scandal indicated the CIA used the Mena AK, airport for smuggling of drugs into the United States. It was also reported that the WalMart Trucks were used for the distribution of the contraband. The analysis of Barry Seal's activities directly link the legacy of these activities to the Bay of Pigs Affair and the parties involved with the JFK Assassination.

18.6.1 American Drug Lords CIA Barry Seal

19.1 Project for New American Century (PNAC)

19.2 Enron Fraud Prosecution

In the Bush administration, the Enron Fraud prosecutions resulted in both former McKinsey Manager and Enron President Jeff Skilling and CEO Ken Lay were prosecuted. However, the other Major Party Mike Milken the Wall Street Junk Bond Dealer who was convicted of fraud got away from being prosecuted. The Lieutenant of California at the time was prosecuting both Ken Lay and Mike Milken for over nine billion dollars of these personal assets. Both met California Governor candidate Arnold Schwarzenegger who agreed with them if he was elected he would drop the lawsuits against them over the Enron Fraud. Milken also is directly tied the Vegas Syndicate interests via his neighbor Steve Wynn who he helped finance his casino expansions. Directly involved with the Enron Fraud Also was McKinsey however, with the MCI-Worldcom scandal right after Enron, McKinsey was not prosecuted. The Head of McKinsey was Rajat Gupta the same one involved with the Goldman Sachs Scandal over the Mortgage Backed Securities meltdown. Gupta setup President Clinton to be lobbyist to outsource millions of US high technology jobs via the H1B Visa Program. Gupta also setup the US Indian Political Action Committee (USINPAC) and the US Indian Business Council (USIBC)

19.2.1 McKinsey's Rajat Gupta's Legacy Enron to Goldman Sachs

19.2.1.1 Rajat Gupta's Legacy with Bill Clinton

See Here how Rajat Gupta setup Former President Bill Clinton to Outsource millions of US High Technology jobs and replace US Labor with H1B Visa immigration. Not bad for a Communist country that was in the Russian Camp during the Cold War.

- http://www.h1bvisasucks.com/H1BDiscussions_issue_clinton.htm

...Unless you're here, you can't really feel it and you've got to feel it," said Rajat Gupta, managing director of McKinsey & Co., the management consulting firm. "It's a fact-finding and experiencing

mission." Mr. Gupta and Victor J. Menezes, president and chief executive officer of Citibank, who are the foundation's vice chairmen, were among those who met with Mr. Clinton...

Note: The Bailed out bank Citibank was on this mission to India. Even today Citibank has right on its web site to do business with the firm they look for small business with links to Bangalore India. This is no surprise since the CEO is an Indian National (Vikram Pandit). So much for a too big to fail bank saving American Jobs.

19.3 Murder of JFK Jr.

John F Kennedy Jr was running for the New York US Senate Seat that was held by his uncle RFK who was also assassinated. This Senate seat was held before hand by Daniel Patrick Moyihan. The NSA Reports during the Reagan Era revealed by Senator Moyihan and his uncle the owner of Computer Horizon an IT Consulting firm involved with the 1986 Tax Reform Act Section 1706. When the Senate seat was vacated both Hillary Clinton and JFK Jr were in competition for the US Senate seat. The indications are that both the Clinton's and Bush Senior had the motives and access to murder JFK Jr. Both Bush and Clintons were at the airport of departure in New Jersey within two days of JFK Jr's death. Another point was the FAA reported the position of the crashed plane within 5 minutes of arrival at the airport in Matha's Vineyard MA. President Bush Jr. called out the national guard and only searched this location 18 hours later ignoring the FAA location reports.

19.5 The 911 Commission led by Henry Kissinger

The appointment of Henry Kissinger to lead the 911 commission indicates the fix was in to cover up what really happened in 911. The parallels to cover up of the JFK Assassination to 911 seem to be more then just a mere coincidence. Perhaps Bush's Jr. Administration learned the techniques of the cover up from his father's involvement with the JFK Assassination.

- <http://www.youtube.com/watch?v=YcxjDlbnC4>

Henry Kissinger was selected by Gangster Walter Annenberg in the Nixon Administration as Secretary of the US Department of State. The Annenberg foundation also setup the American Academy of Diplomacy.

- <http://www.academyofdiplomacy.org/awards/Luncheon/diplomacy-2004.html>

19.5.1 Legacy of JFK to 911 Commission

See the nexus of Bush appointment of Kissinger to the players in the JFK coverup. See in Bush Sr. words in his support for reelection of Senator Arlene Specter in the 1992 fund raiser. Both Bush Senior and Specter were players in the JFK Assassination. This links Bush along with Specter to corrupt Pennsylvania Republican Party segment of the Bucks County GOP www.bucksgop.org

- http://bushlibrary.tamu.edu/research/public_papers.php?id=4408&year=1992&month=all

The Bucks County GOP Power Boss was the Former Herb Barness now Robert Asher. The Legacy of the Control of the PA GOP starts with the transition of power from Walter Annenberg to Herb Barness and now to Robert Asher over three generations of Public Corruption. Also direct links to JFK Issue..Walter H. Annenberg, president of the M.L. Annenberg Foundation; Robert C. Jubelirer, president pro tempore, Pennsylvania State Senate; Matthew J. Ryan, Republican leader, Pennsylvania State House of Representatives; Anne Anstine, chairman, Republican State Committee; Herbert Barness, Republican national committeeman.

19.6 Establishment of the Transportation Security Agency (TSA)

With the establishment of the Transportation Security Act, Americans are seeing the Tyranny in our airports. The Leadership appointed to lead the TSA (Ridge, Chertoff, Napolitano). We now see How the firm Arthur Anderson Consulting (Accenture) that was directly involved with the Enron Fraud wins a contract for 25% of the budget of the TSA. Not bad for a mob connected firm with track record of \$2 Billion in lawsuits for incompetence and fraud. Also we see Chertoff's RapidScan Systems being used at US airports. Just another play for pay contract award at the TSA. Also DHS Secretary Janet Napolitano was selected by Senator McCain another nexus of the Mafia control of the Department of Homeland Security. Napolitano as Governor of Arizona was unable to protect the borders of a state let alone a nation.

19.6.1 Tom Ridge Legacy as DHS Secretary

Tom Ridge said he can do nothing about the immigration issues. So much for protecting the homeland.

19.6.1.1 DHS Awards US Visit Contract to Enron Fraudster Accenture

The US Visit Program was about 25% of the budget of the Department of the Homeland Security. Con DeLauro blasted the DHS for awarding the \$10 Billion contract to Arthur Anderson Consulting renamed Accenture. Arthur Anderson Consulting aka Accenture was directly involved with the Enron Fraud. Over twenty firms bid on the contract, yet somehow the firm directly involved with the Enron Fraud and having over two billion in pending lawsuits by its customer base for incompetence wins the deal. Perhaps they gave them an offer they could not refuse.

- <http://www.voy.com/154698/4391.html>
- <http://www.voy.com/154698/4394.html>

Ten years prior, Accenture was involved with the financial scandal via Waste Management Systems, a trash hauling firm with long term ties to the Chicago Syndicate. This firm was called Schultz Trash Hauling out of South-Eastern Pennsylvania in the 60's. A Robin Williams had been involved with the firm for over 50 years. This fraud was at that time the largest financial scandal up until that point in time.

19.6.2 Michael Chertoff Legacy as DHS Leader

Chertoff's RapidScan Systems for the Airport Scanners are a major disruption to Airport Travelers that is harming and reducing the airline passengers. During the Obama Administration, he went to India to praise their efforts for building the airport scanners. So much for hiring American when using taxpayer funds.

19.6.3 Janet Napolitano as DHS Secretary

Napolitano was selected by Senator McCain hence this indicates a nexus to Bronfman Crime Family. Cindy McCain sponsors gay agendas. We are seeing this in the grouping by the TSA inspectors at the airports of passengers.

19.8 Iraq War – US Misled into War

Bush Jr legacy is the endless wars in the Middle East. The economic destruction of the US Economy.

19.8.1 Sen Byrd – The Truth Will Emerge on Iraq War Issue

- http://www.bintjbeil.com/articles/2003/en/0521_byrd.html

"Truth, crushed to earth, shall rise again, - - The eternal years of God are hers; But Error, wounded, writhes in pain, And dies among his worshippers." Truth has a way of asserting itself despite all attempts to obscure it. Distortion only serves to derail it for a time. No matter to what lengths we humans may go to obfuscate facts or delude our fellows, truth has a way of squeezing out through the cracks, eventually.

But the danger is that at some point it may no longer matter. The danger is that damage is done before the truth is widely realized. The reality is that, sometimes, it is easier to ignore uncomfortable facts and go along with whatever distortion is currently in vogue. We see a lot of this today in politics. I see a lot of it -- more than I would ever have believed -- right on this Senate Floor. Sen Byrd comments on reasons for US to go to War with Iraq.

20 President Obama Legacy (2008-2012)

20.1 More Things Change More They Stay the Same

Obama has stated the he would promote change. However examination of the facts indication very little has changed.

Some of the legacy of Obama were as follows

- ObamaCare – A repeat of Hillary's Healthcare program just another tax on the people.
- Bailouts – Continued the bailouts of the banks
- Continuation of the Wars – Failed to stop the wars

20.2 Obama Lost Years Chicago of Annenberg Challenge - No Child Left Behind

The Vallas extension - The Philadelphia PA School Reform Commission has voted wisely to extend the contract of Paul Vallas as chief executive officer of the School District of Philadelphia. Ask any of the school superintendents nationally who have presided over district wide improvement programs during the past 15 years, and they will confirm that academic reform doesn't happen overnight. Under Vallas' leadership during the past four years, however, the Philadelphia School District has acquired a hard-won reputation as a system headed in the right direction. Let's all join the members of the School Reform Commission now in helping Vallas to build on the district's gains. Gail C. Levin Executive director

... The school closings are being enacted in part because of the Philadelphia School District's massive spending cuts of \$600 million this year, due to reductions in state and federal education aid.

This information shows how the program results in greater debt for distressed school districts and privatized schools paid for by the taxpayers.

20.4 Immigration Issues – Dream Act

The Obama Administration with the help of Senator Harry Reid has attempted to allow the Dream Act to come into law. The idea is that during the economic downturn, the government would allow children of illegal immigrants to attend colleges at in state tuition rates. Additionally, the proposed law provides the millions of illegal immigrants a path to become US Citizens. This will impose excessive burdens on the Social Program that are already facing upcoming economic issues.

20.5 Jobs Czar Issues – Jobs for China & India Few for Americans

The Obama Administration has hired General Electric's CEO Jeff Immelt as the jobs czar for the United States. GE has been one of the worst offenders with respect to exporting US Industry and Jobs to China and India. GE does not pay its fair share of taxes either. Additionally, GE CEO Jeff Immelt on recent comments of working with Boeing on a subcontract for the Commercial aircraft industry sold off technology and patents obtained from Boeing to China. The Department of Defense said this put American Defense Technology at risk. Immelt's comments were he did business and made a profit and sees no problem.

20.7 The Treason of AIPAC over the Israeli Palestine Occupation Issue

The Obama administration attempted to broker a deal between Israel and Palestine to better treatment of the citizens of Gaza and the West Bank. AIPAC used its influence in the US Government to prevent this initiative.

In the Obama administration an act of treason was committed by members of Congress corrupted by the Mafia Controlled American Israel Political Action Committee (AIPAC). The AIPAC in building in Washington DC was built by Gangster Sheldon Adelson who is a dominate party to their agenda. Congressman Eric Cantor is backed by Adelson. In the US Senate one can see the influence of AIPAC with Senator Barbra Boxer.

21 Mitt Romney Legacy - The Bain of Annenberg Clear Channel

The nexus of Mitt Romney Gangsters Walter Annenberg and Max Fisher is presented here. Mitt is a senior partner of Bain Capital a financial services company with a legacy of destroying US jobs.

Shown here from the Report from the Nixon Library shows his father was a cabinet member of the Nixon Administration. His father was the secretary housing. We have all seen the scandals with HUD. Note also the nexus with Purple Gang member Max Fisher.

<http://nixonlibrary.gov/forresearchers/find/textual/central/subject/FG252.php>

Nixon F252 Cabinet ...

The Cabinet Committee on Voluntary Action was formed by President Richard M. Nixon's 1969 Executive Order 11470, to foster cooperation among Government departments and agencies on programs related to voluntary action, and to promote reliance on and recognition of volunteer activities. Additionally, the Committee was charged with being responsible for developing new Federal initiatives in the voluntary action area. The work of the Committee led to the creation of the National Center for Voluntary Action in 1969, and to the establishment of an Office of Voluntary Action within the new ACTION agency in 1971.

The Secretary of Housing and Urban Development, George W. Romney, served as Chairman of the Cabinet Committee. In naming him Chairman, President Nixon cited his "impressive successes in stimulating voluntary action during his terms as Governor of Michigan." The other members of the Committee were the Secretaries of Commerce; Labor; Agriculture; Health, Education, and Welfare; the Attorney General; and the Director of the Office of Economic Opportunity. At the same time that the Cabinet Committee was formed, the President named Max M. Fisher to serve as his Special Consultant on Voluntary Action, and asked him to work with Secretary Romney's Committee in helping to foster voluntary action.

*Principal correspondents in FG 252 include the **President, Secretary Romney, Max Fisher, Donald Kendall, Nils Boe, and Charles B. The Felon Junk Bond Financer, Mike Milken was involved with Casino Operator Steve Wynn. After his convictions Felon Milken worked with Enron's Key Lay. Milken was the only major party in the Enron fraud to not be prosecuted. The material in the 9/11 World Trade Center Building 7, contained the information to be used in the Enron Fraud Investigation. WTC owner Larry Silverstein said to pull the building (controller demolition). With the destruction of WTC Building 7, one of the effects was that Felon Mike Milken was not prosecuted for his activities related to the Enron Fraud. He later took control of the Golden Nugget. In 1980, with financial backing from Drexel Burnham Lambert, Wynn built the Golden Nugget casino in Atlantic City, where Meyer Lansky's Resorts International had opened the first casino in 1978. Wynn sold the Atlantic City casino and took more from Milken's Drexel to build the massive Mirage in Las Vegas, which opened in 1989. Drexel also funded other casinos, pumping billions of hot dollars into Vegas as part of Dope, Inc.'s transformation of its money laundering center from a city run by the old-style Mob, into a resort center with the organized crime activities hidden behind slick corporate fronts. 23 Destruction of American Economy

The Jobs for the American Labor force are being eliminated by government programs such as H1B Visa, Illegal Immigration and Outsourcing. Government Policies such as Free Trade Agreements, Open Border Policies, Lack of Enforcement of Border and Immigration security and virtually unlimited immigration of foreign labor into America to replace US professional labor with cheap foreign labor is on going creating major issues for the US Workforce.

23.1 1986 Tax Reform Act Section 1706

During the Reagan Era, the 1986 Tax Reform Act Section 1706 was passed into law. This resulted in setting up Blanket Purchase Order Agreements (BPO) which locked out small business from bidding on government contracts. Additionally, many technology professionals were forced to give up their business and become W2 employees of the organizations they were working for.

23.2 Politics of Out of Control Immigration Foreign Affairs Oct 2000

- http://www.h1bvisasucks.com/H1BDiscussions_issue_jordon.htm

Politics of Out of Control Immigration - Foreign Affairs Oct 2000

The immigration debate has recently switched 175 degrees. Only 5 years ago the Jordon Commission proposed a cut to legal immigration....Yet only 5 years later immigration into the US is at its absolute highest levels in history more then 1.1 million annually. Somehow the process has gotten out of control... Congress has forgotten the Jordon Commission recommendations...Few members in Congress support Richard Arme y R-TX open borders philosophy!... Alan Greenspan praised immigration (This is a form of wage and price control!)...Evidence from Haroard University and the RAND Corp. suggest that skilled immigrants are driving down American's skilled labor force and diverting resources from the education of Americans. During recent hearings Asst. Sec of Labor Ray Uhalde warned that Immigration fixes undercut efforts to improve public education, create better worker retraining and with getting unemployed back to work. Today's policies foretell many dangers. What will happen when the economy slows down? What will happen when 600,000 H1B young engineers to be admitted over the next 3 years adding to the current 400,000 H1B population finish their indentures at the same time precisely the same time American engineers retrained via government programs funded from fees start seeking employment? We will have to create another economic miracle to utilize everyone. But short of a new miracle wages will fall, unemployment, crime, divorce, welfare will rise. Social conflict will increase. Nearly 2/3 of Americans in poll after poll say the want illegal immigration stopped and legal immigration slowed. Immigration willing to take below average wages drive down wages! ...Industry owners profit from the unnaturally low price of labor. Workers lose because immigration drags down wages. To avoid crisis Congress should make reform a high priority starting with the Jordon Commission proposals. Jordon Commission started in 1990 led by Barbra Jordon D-TX. They undertook the most exhaustive examination of immigration ever carried out in this country. The mandate was to examine both legal and illegal immigration. They proposed that legal

immigration should be cut by 1/3 to 550K, to bring skills immigration in line with historical levels. Along with stopping illegal immigration and using computerized registration of immigration... The Senate Immigration Subcommittee, headed by Alan Simpson R-Wyo incorporated the Jordon Commission recommendations. When the bill hit the Judiciary Committee Orrin Hatch R-UT, Ted Kennedy D-MA insisted legal & illegal immigration be separated... everyone knew this would doom the bill on legal immigration. Legal Immigration was taken by Spencer Abraham R-MI a freshman who never hid his views that skills based immigration should continue at its highest levels. In a bitter fight Abraham won and Simpson lost!

Some interesting players here were Sen McCain R-AZ Head of Senate Dept of Commerce supports unlimited skills immigration like Arney and Abraham. When Abraham lost in Detroit Bush appointed him head of Dept. of Energy! Newt Gingrich was influenced due to his girlfriend scandal by Corporate interests in Silicon Valley. The H1B Visa program is used by firms to gain exclusive government and corporate IT Servicing and Outsourcing contracts by using H1B Visa labor locking out American high technology small business. Hopefully this shows the American labor force, that the H1B visa issue really a fallout of the corporate interests corrupting the American political system. "A society can not have political freedom without economic freedom.. The American experiment will fail unless we have a population of educated, moral citizens!" - Thomas Jefferson.

23.3.1 McKinsey's Rajat Gupta's Legacy Enron

Gupta is Goldman Sachs insider trader. Gupta got his start with McKinsey. The Indians consulting firms for decades have paid off US Management with Off Shore accounts in Sri Lanka to outsource US Jobs. Most likely a nexus exists from Gupta's tenure at McKinsey via Raj Rajartnam the Wall Street Trader from Sri Lanka. Once established Gupta helped setup the US Indian Business Council inside the US Chamber of Commerce in Washington DC and the US Indian Political Action Committee to further the agenda of outsourcing and H1B Visa.

23.3.1.1 Rajat Gupta's Legacy with Bill Clinton

See Here how Rajat Gupta setup Former President Bill Clinton to Outsource millions of US High Technology jobs and replace US Labor with H1B Visa immigration. Not bad for a Communist country that was in the Russian Camp during the Cold War.

...Unless you're here, you can't really feel it and you've got to feel it," said Rajat Gupta, managing director of McKinsey & Co., the management consulting firm. "It's a fact-finding and experiencing mission." Mr. Gupta and Victor J. Menezes, president and chief executive officer of Citibank, who are the foundation's vice chairmen, were among those who met with Mr. Clinton...

Note: The Bailed out bank Citibank was on this mission to India. Even today Citibank has right on its web site to do business with the firm they look for small business with links to Bangalore India. This is no surprise since the CEO is an Indian National (Vikram Pandit). So much for a too big to fail bank saving American Jobs.

23.4 Solutions to the Immigration Issues

For over twelve years a Bi-partisan, committee know as Jordon Commission recommended to limit all immigration into the United States to 65,000 people per year. Presently we allow several million.

http://www.h1bvisasucks.com/H1BDiscussions_issue_jordon.htm

The solutions to the issue are very easy to understand.

- 1) Follow Recommendations of the Jordon Commission

- 2) Enforce Border Security
- 3) Levy Taxes on Business that outsources US Jobs.

24 Crucifixion of Michael Jackson via Lansky's Alvin Malnik

The story of Michael Jackson has one interesting point. Jackson acquired ownership of the media for the Beatles and Elvis Presley. Afterwards Alvin Malnik connected with Jackson socially. On Malnik's Web site he states his ties to Meyer Lansky and Sinatra both of which have underworld ties to media concerns. Louis Farrakhan spoke up about how Hollywood went after Jackson in his story "The Crucifixion of Michael Jackson". The apparent objective was to obtain control of the Media of the Beatles and Elvis Presley from Michael Jackson.

25 ADL The Face of Hate from the Bronfman Crime Family

25.1 US Senator Bob Casey D-PA Comments on Matthew Shephard Act

I am a cosponsor of this legislation because I believe violent crime is a tragic problem in our society and our law enforcement system should have all the resources it needs to prevent violent crime and protect its victims. On April 23, 2009, H.R. 1913 was reported out of the House Committee on the Judiciary and on April 29, 2009, it was agreed to in the House of Representatives. Both versions of these bills are currently pending before the Senate Committee on the Judiciary, of which

I am not a member. Should either version of this legislation come before the full Senate for consideration, it will have my support.

Please be assured that I have been gratified to hear from my constituents regarding hate crimes legislation. Again, thank you for sharing your thoughts with me. Please do not hesitate to contact me in the future about this or any other matter of importance to you.

If you have access to the Internet, I encourage you to visit my web site, <http://casey.senate.gov>. I invite you to use this on-line office as a comprehensive resource to stay up-to-date on my work in Washington, request assistance from my office or share with me your thoughts on the issues that matter most to you and to Pennsylvania.

Sincerely, Bob Casey United States Senator

senator@casey.senate.gov

Clearly in 2012, Pennsylvania Senator Robert Casey is up for re-election. Perhaps the voters will consider him actions to support the Bronfman Crime Family front organization known as the Anti-Defamation League (ADL).

25.2 The ADL Face of Bronfman Crime Syndicate's Hate

Here we can see the report on the ADL nexus to organized crime. This is also a story of the Mafia Takeover of the city of San Diego California (to be discussed later).

- <http://theunjustmedia.com/Jewish%20Zionists/Anti-Defamation%20League%20The%20Face%20of%20Hate.htm>

The Anti-Defamation League is the longest running and most powerful hate group in the United States with 29 offices domestically and 3 offices abroad. They bring in over \$40 million a year to combat free speech and the right of ethnic minorities to defend themselves from bigotry (including Black Muslims, Arabs, and Euro-Americans).

The **Anti-Defamation League** was created in 1913 by the racist secret society known as **B'nai B'rith**. This organization, which exists today excludes people based on their ethnic background and religion. It is exclusively restricted to powerful Jews who believe in racial superiority.

The ADL has spearheaded efforts at censorship against all people who wish to express themselves in a way that by ADL is seen as anti-Zionist or "anti-Semitic". The Director of the ADL **Richard Gutstadt** wrote to all periodicals he could find to censor the book, "The Conquest of A Continent". Mr Gutstadt brazenly writes, "We are interested in stifling the sale of this book". The ADL was also instrumental in terrorizing St. Martin's Press into canceling their contract last year with **David Irving**. The ADL recently "hailed" the arrest and imprisonment of a German man who questioned the Holocaust. They also "hailed" the imprisonment of **Gerhard Lauck**, an American who was kidnapped by German authorities in Denmark and brought to Germany to serve a prison sentence for "sending 'racist' material to Germany from his American home".

The ADL tries to cover its anti-free speech activities by giving out a Free Speech "Torch of Liberty" award occasionally. The most prominent recipient is flesh peddler and woman denigrator **Hugh Hefner**. Obscene pornographer **Larry Flynt** is another supporter who has contributed 100,000's of dollars to the ADL.

In 1993 the San Francisco and Los Angeles offices of the ADL were raided for evidence of criminal wrongdoing in many spheres. The raids turned up evidence of the ADL's compliance in the theft of confidential police files stolen from California police departments. The ADL had been paying **Roy Bullock** a salary for decades to spy on people and steal police files. He stole files from SFPD through corrupt cop **Tom Gerard**. His illicit contact in San Diego was white racist sheriff **Tim Carroll**.

The ADL has been linked closely to organized crime, especially Las Vegas mafia boss **Meyer Lansky**. **Theodore Silbert** worked simultaneously for the ADL and the Sterling National Bank (a mafia operation controlled by the Lansky syndicate). As a matter of fact the granddaughter of the mafia boss, Lansky, herself is the ADL's liason to law enforcement, **Mira Lansky Boland**. (What a convient arrangement! She used ADL money to treat Tim Carroll and Tom Gerard to an all-expense paid luxury vacation in Israel.)

Another Las Vegas gangster, **Moe Dalitz** was honored by the ADL in 1985. Another among the shady contributors to the ADL's supremacist activities is the **Milken Family Fund**, of "junk bond" fame. The ADL uses its well-oiled propaganda machine to protect their "friends" in the mafia and pornography industry by shrieking "Anti-Semitism!" at the slightest movement of the law against these perverse interests.

The ADL has mastered the art of intimidation and blackmailing unlike any of the powerful mafias they are associated with. The ADL has influential contacts in media and politics that can ruin a person or business if they don't follow ADL's agenda.

Already mentioned are instances of bad cops falling under the allure of the ADL, ones such as **Tom Gerard** and **Tim Carroll**. Yet now good cops and even freshmen cops are being "conditioned" for the type of anti-free speech, anti-cultural diversity, police state that the ADL would like for our country.

Throughout the nation the ADL is threatening police departments with all kinds of retribution if they don't initiate state-funded lectures and seminars for law enforcement given by ADL spokesmen. The ADL rakes in large sums of money for these sessions, boosting their already overflowing coffers. Already ADL men have been seen at the scene of crimes ordering cops on how investigations are to be conducted.

Perhaps at no time in history has any other criminal organization, such as the ADL, been able to infiltrate and influence law enforcement to such an extent, and its tenacles are growing.

Freshmen sheriffs in San Diego are now being personally "trained" to respond to "crimes" by the Southwestern Director of the ADL, **Morris Casuto**.

The most alarming part of this horrible story is...

The ADL is a very powerful, secretive racial/religious supremacist organization, with substantial ties to the underworld of crime and pornography. To burrow their way into the minds of children the ADL has created the "World of Difference" program designed to influence them at an early stage.

In a report to its few, but wealthy supporters in 1995, ADL boasts that it has reached more than ten million students and more are ready to be indoctrinated. The ADL hopes to make children susceptible to the world of crime and vice they and their criminal associates have in store for the USA.

25.2.1 Abe Foxman – National Director of Bronfman Crime Anti-Defamation League

- National Chairman of the hate group Anti-Defamation League of B'nai B'rith. His main job is to write to celebrities and powerful people who say something unkosher and temporarily forget that Jews are a special criticism-proof people. Claims whole family was "holocausted" in the last war.

25.2.2 Roy Bullock - Paid Informant for the ADL

- The ADL's paid informant who rummaged through trash for decades for the ADL, until he was given the sensitive position of being the conduit for stolen police files coming from the San Francisco Police Department by way of Tom Gerard. He was paid \$550 per week for his services. Also an associate of racist sheriff Tim Carroll. His existence was discovered after the FBI raids on ADL offices in 1993 and resulted in the publicizing of 750 pages of information on the spying operations of the ADL.

25.2.3 Tom Gerard - San Francisco Police Spy for ADL Operations in the US

- San Francisco Police Officer who stole sensitive, confidential files from his agency and gave them to Roy Bullock to assist ADL's spying operations on Americans. Among files stolen were ones on the Black Muslims, Arabs and right-wing organizations that were in any way critical of ADL. Received an all-expense paid luxury vacation in Israel, courtesy of the ADL.

25.2.4 Tim Carroll - San Diego Sheriff ADL Sponsor

- Racist ex-detective in San Diego's Sheriff Department. Remarked in 1993 that he would like to see "all illegal aliens shot" and "all the niggers sent back to Africa on a banana boat". An associate of both Roy Bullock and Tom Gerard. He mysteriously retired from the Sheriff's Department after the raids on the ADL offices at the early age of 54. Also received an all-expense paid luxury vacation in Israel, courtesy of the ADL. Despite his overtly racist nature, he was put in charge of security at the ADL's National Convention in September, 1997 using strong-arm tactics against participants and visitors. This is interesting considering it was his bumbling confessions to an investigator that led to the raids on the ADL.

25.2.5 Mira Lansky Boland – Law Enforcement Liaison

- The "law-enforcement liaison" for the ADL. She arranged luxurious trips to Israel for certain key police officers who could have something to offer the ADL in return. Among these were file thief Tom Gerard and racist Tim Carroll. She is uniquely positioned in that she is the granddaughter of Meyer Lansky, one of the most powerful mafia figures in US history.

25.2.6 Hugh Hefner – Smut Media Honored by the ADL

- Famous pornographer who was honored by the ADL with its ridiculous "Torch of Freedom" award. From him proceeds protection for all pornography in the US, which is and has always been associated with vice elements like the mob and ADL.

25.2.7 Larry Flynt – Smut Media Major Contributor to the ADL

- This pornographer is a major contributor to the ADL of 100,000's of dollars. He has been jailed often for "obscene pornography" and the general hideous defiling of women in his *Hustler* magazine (whose description is beyond the limits allowed on a decent web page).

25.2.8 Theodore Silbert - Employee of ADL /Mob Associate of Lansky

- Mob associate of Meyer Lansky, employee of the ADL and mafia front "Sterling Bank." Was simultaneously the CEO of "Sterling Bank" and National Commissioner of the ADL. (Remember the BCCI Scandal?)

25.2.9 Moe Dalitz - Honorary Member of the ADL

- Las Vegas mob figure and close associate of Meyer Lansky who was honored by the ADL in 1985.
- <http://www.1st100.com/part2/dalitz.html>

25.2.10 Milken Family Fund – Major Donor of the ADL

- Billion dollar fund that has given extensively to the ADL, the money of which was made in the "junk bond" scandals.
- <http://www.youtube.com/watch?v=PyWF3osN6Lg&feature=related>

25.2.11 Morris Casuto - Southwester Director of the ADL

- Jewish Southwestern Director of the ADL who personally trains freshmen law enforcement to do the bidding of him and his criminally indicted organization. Morris Casuto is also close friends with white racist Tim Carroll. Boasted in March 1999 that Alex Curtis' "luck will run out. And he will be sent to prison for a very long time." Is this a threat from a man whose group has already been criminally indicted for nefarious connections to rogue police agents?

25.2.12 Rick Barton - National Commissioner for ADL

- National Commissioner of ADL . Another racial integrationist who lives on an expensive cul-de-sac in pure white Olivenhain, California in San Diego County

25.2.13 Teresa Santana – San Diego DA who prosecutes ADL Hate Laws

- Deputy DA of San Diego who works with the criminal ADL and prosecutes non-Jews for imaginary "hate crimes" against precious Jews.

25.2.14 Bill Kolender – Head of San Diego Sheriff's Office

- Jewish Head of San Diego Sheriff's Office who is a member of B'nai B'rith, the racist secret society that oversees the criminal ADL. The anti-Zionist organisation *The Nationalist Observer* was raided by the SDSO in April 1999 for political reasons.

25.2.15 Jessica Lerner – Director of San Diego Hate Office

- Jewish Assistant Director of the San Diego hate office. Morris' back-up spokeswoman when he is out of town or on his annual pleasure trip to Amsterdam, The Netherlands - sin capital of the world.

25.2.16 Dan Willis - La Mesa Police Detective Close Ally of ADL Leader Morris Casuto

- La Mesa Police Department detective who is in close contact with Morris Casuto and has personally raided the home of Alex Curtis and the offices of *The Nationalist Observer* three times in the last year and a half.

25.5 ADL – No Place for Hate Program

The ADL has recently initiated a program known as “*No Place for Hate*”. Like an early program from the Annenberg Foundation “*No Child Left Behind*” this is another front for Organized Crime working within communities not much different with how Capone took over communities like Cicero IL.

Some of the Initial ADL Programs for No Place for Hate were in Pennsylvania at Penn State University and the Communities of Philadelphia and Abington PA. The ADL sponsors the "No Place for Hate" Program in the local schools and communities here. This is no different than having Capone's Goons teach the kids that should not bully other kids because the ADL is the biggest bully on the block.

25.12.1 US Senator Robert Casey's Hate Crime Law Legacy of Philly Eleven

I am a cosponsor of this legislation because I believe violent crime is a tragic problem in our society and our law enforcement system should have all the resources it needs to prevent violent crime and protect its victims. On April 23, 2009, H.R. 1913 was reported out of the House Committee on the Judiciary and on April 29, 2009, it was agreed to in the House of Representatives. Both versions of these bills are currently pending before the Senate Committee on the Judiciary, of which

I am not a member. Should either version of this legislation come before the full Senate for consideration, it will have my support.

Please be assured that I have been gratified to hear from my constituents regarding hate crimes legislation. Again, thank you for sharing your thoughts with me. Please do not hesitate to contact me in the future about this or any other matter of importance to you.

If you have access to the Internet, I encourage you to visit my web site, <http://casey.senate.gov>. I invite you to use this on-line office as a comprehensive resource to stay up-to-date on my work in Washington, request assistance from my office or share with me your thoughts on the issues that matter most to you and to Pennsylvania.

Sincerely, Bob Casey United States Senator

Ask any of the school superintendents nationally who have presided over district wide improvement programs during the past 15 years, and they will confirm that academic reform doesn't happen overnight. Under Vallas' leadership during the past four years, however, the Philadelphia School District has acquired a hard-won reputation as a system headed in the right direction. Owner of Sands Casino in Bethlehem PA ... Sheldon Adelson: casino mogul, one of four foreigners named by the Jerusalem Post as contributing over \$100,000 to the Likud's 1996 election campaign (the other three were Ronald Lauder, Joseph Gutnick, and Irving Moscowitz). Sheldon and Mervyn Adelson are not related.

Sheldon Adelson bought out the Las Vegas Sands Hotel, pioneered by Lansky, Moe Dalitz and Bugsy Siegel. Adelson developed the massive Venetian Hotel/casino, its themes carefully modeled on the historical center of oligarchy, tyranny and corruption, Venice. He has fought a long, bitter battle against the workers and labor unions in Las Vegas, and is a central player in the casino domination of politics—ownership of politicians—in Nevada. Sheldon Adelson has poured huge sums into Israeli politics. He has sought approval to build casinos in Israel itself—as did Meyer Lansky—but has so far not succeeded. Adelson finances the Lubavitcher cult, which operates a right-wing political and dirty-money empire from Russia to New York's diamond district, to Israel. The Lubavitchers, who agitated against the Oslo peace accords, are emerging as the dominant force in the Jewish community in Las Vegas—despite mainstream Jewish revulsion at their tactics and politics.

Last year Adelson was granted one of three gambling licenses (Steve Wynn also got one) in Macao, China, the former Portuguese colony near Hong Kong. Adelson says what Macao needs is a Vegas-style Strip, which he envisions building.

~~...Steven Wynn: tough-guy casino owner and Likud backer. Steve Wynn started in Las Vegas in 1967, with a small interest in the Frontier Hotel casino, then controlled by the Detroit mob. He later took control of the Golden Nugget. In 1980, with financial backing from Drexel Burnham Lambert, Wynn built the Golden Nugget casino in Atlantic City, where Meyer Lansky's Resorts International had opened the first casino in 1978. Wynn sold the Atlantic City casino and took more from Milken's Drexel to build the massive Mirage in Las Vegas, which opened in 1989. Drexel also funded other casinos, pumping billions of hot dollars into Vegas as part of Dope, Inc.'s transformation of its money laundering center from a city run by the old style Mob, into a resort center with the organized crime activities hidden behind slick corporate fronts. Wynn is a personal friend of Milken, his neighbor in Lake Tahoe.~~

~~The mid-1990s book, Running Scared: The Life and Treacherous Times of Las Vegas Casino King Steve Wynn, by the famous Las Vegas Review-Journal reporter John L. Smith, alleged that Wynn was a front for the New York Genovese organized crime family. Wynn sued the publisher for libel and won. Wynn is deeply feared in Las Vegas.~~

~~A biography of Steve Wynn on the Milken Institute website says "Wynn is widely credited with transforming Las Vegas into a world-renowned resort destination"; and he is on the Advisory Board (chaired by Paul Volcker) at the Center for Strategic and International Studies in Washington, a trustee of the University of Pennsylvania, and a member of the board of the George Bush Presidential Library~~

~~=====~~

Mervyn Adelson: of Hollywood, Vegas and Tel Aviv, an investment partner of Dalitz and top donor and friend to Netanyahu. The former husband of TV journalist Barbara Walters and former chairman of Lorimar-Telepictures, Adelson is an investment manager in Los Angeles.

Cleveland mobster Moe Dalitz, who opened up Las Vegas with Lansky, teamed up with Mervyn Adelson to create the Rancho La Costa resort in California. Adelson and Dalitz spent a decade suing Penthouse magazine over an article claiming that this Adelson investment had become the favored hangout for American gangsters, where murders were planned in luxury and confidence. Jimmy "The Weasel" Frattiano testified that he met there to plan the murder of Desi Arnaz. The suit was dropped after Penthouse apologized to Adelson, but not to Dalitz.

Merv Adelson's former attorney, Yaakov Ne'eman, became Israel's Finance Minister under Prime Minister Netanyahu, and is one of Netanyahu's closest advisors on law, donations and investment subjects. As the scandal over Likud gangsterism has broken wide open, the governor of the Bank of Israel (central bank) has criticized Sharon's policies; Sharon has responded by threatening to make Adelson's man, Ne'eman, the Bank's governor instead.

27.3.2 Who commits Treason on the US?

A nation can survive its fools, and even the ambitious. But it cannot survive treason from within. An enemy at the gates is less formidable, for he is known and carries his banner openly. But the traitor moves amongst those within the gate freely, his sly whispers rustling through all the alleys, heard in the very halls of government itself. For the traitor appears not a traitor; he speaks in accents familiar to his victims, and he wears their face and their arguments, he appeals to the baseness that lies deep in the hearts of all men. He rots the soul of a nation, he works secretly and unknown in the night to undermine the pillars of the city, he infects the body politic so that it can no longer resist. A murderer is less to fear. The traitor is the plague." - Cicero

27.3.7 ADL Hate Crime Prosecution of the Philadelphia Eleven

Here Former ADL-DA Abraham they tried to put them in jail for 45 years each to protect a gay parade

- <http://www.truthtellers.org/alerts/philly11stillvictims.html>

Philly Eleven Story Victims of Hate Law Injustice. Special Thanks to US Senators Casey and Specter for the creation of the Hate Crime Laws. Yes folks PA US Senators are the ones who created the Hate Crime Laws Specter is going and remember that US Sen Casey needs to go for the same reasons. Thank you for taking the time to contact me regarding federal hate crimes legislation. I appreciate hearing from all Pennsylvanians about the issues that matter most to them. On April 2, 2009, H.R. 1913, the Local Law Enforcement Hate Crimes Prevention Act of 2009, was introduced in the House of gender, gender identity or disability. The legislation authorizes grants to help local law enforcement authorities manage the high costs of investigating and prosecuting hate crimes. It does not infringe on the right of any individual or group to express personal or religious beliefs.

27.3.8 US Sen Bob Casey & Arlene Specter Authors of ADL Hate Crime Laws

I am a cosponsor of this legislation because I believe violent crime is a tragic problem in our society and our law enforcement system should have all the resources it needs to prevent violent crime and protect its victims. On April 23, 2009, H.R. 1913 was reported out of the House Committee on the Judiciary and on April 29, 2009, it was agreed to in the House of Representatives. Both versions of these bills are currently pending before the Senate Committee on the Judiciary, of which

I am not a member. Should either version of this legislation come before the full Senate for consideration, it will have my support.

Please be assured that I have been gratified to hear from my constituents regarding hate crimes legislation. Again, thank you for sharing your thoughts with me. Please do not hesitate to contact me in the future about this or any other matter of importance to you.

If you have access to the Internet, I encourage you to visit my web site, <http://casey.senate.gov>. I invite you to use this on-line office as a comprehensive resource to stay up-to-date on my work in Washington, request assistance from my office or share with me your thoughts on the issues that matter most to you and to Pennsylvania.

Sincerely, Bob Casey United States Senator
